

Worry-Free

- Comprehensive Warranties
- FloorScore® Certified
- Phthalate free

Strong & Stable

- Click lock stays strong in heat and cold
- Subfloor imperfections won't telegraph through
- Unlimited residential room sizes without expansion joints
- More resistant to gouging

Waterproof

- Lifetime Waterproof Warranty***
- StoneCast™ floors are ideal for kitchens, bath and laundry rooms... anywhere that moisture is a concern:
- Not affected by spills or moisture
- Will never swell when exposed to water

Durability & Strength

StoneCast™ SPC is 100% waterproof and backed by a Lifetime Waterproof Warranty, making it ideal for anywhere moisture is an issue.

StoneCast™ makes the perfect choice for a high-traffic environment, because of its extremely durable core.

Easy to Install

Drop Lock

- Fold-down, drop lock click installation system
- No acclimation required
- Installs over most floors including OSB, existing tile, particle board, and concrete
